

# CALL FOR PRESENTATIONS

The Pulp and Paper Technical Association of Canada

Spring 2016 Atlantic Branch Meeting

PAPTAC Atlantic Branch & UNB (Limerick Pulp and Paper Centre)

Fredericton, New Brunswick

May 25-27, 2016

This is a general call for presentations to be presented at this year's general meeting, hosted by the PAPTAC Atlantic Branch in Fredericton, New Brunswick at the Crowne Plaza.

We encourage submissions covering a broad range of topics related to the Pulp and Paper industry in Atlantic Canada. For example, presentations in years past have included mill process safety, shifting a mill's product structure, energy optimization, environmental issues, and quality and process improvement projects. We welcome presentations from mill personnel, suppliers, universities, research institutions, and customers of the Pulp and Paper industry.

The presentations will take place on Thursday, May 23<sup>rd</sup>, with a welcoming reception the evening prior, a banquet the evening of, and a tour of The Limerick Pulp and Paper Centre on Friday, May 27<sup>th</sup>. There is a \$500 award for the best presentation by a mill employee or researcher who collaborated with a member mill.

If you are interested in presenting at this year's general meeting, please contact your mill champion or Carmie Lato by May 6<sup>th</sup>, 2016. We look forward to hearing from you!

Carmie Lato  
Project Manager, PAPTAC National
