

PAPTAC
Atlantic Branch
2018
CONFERENCE

June 20-22, 2018
Saint John (NB)

CALL FOR PRESENTATIONS

This is a general Call for Presentations to be presented at this year's general meeting, hosted by the PAPTAC Atlantic Branch in collaboration with Irving Paper.

We encourage submissions covering a broad range of topics related to the Pulp and Paper industry in Atlantic Canada. For example, presentations in years past have included mill process safety, shifting a mills product structure, energy optimization, environmental issues, and quality, reliability and process improvement projects.

We welcome presentations from mill personnel, suppliers, universities, research institutions, and customers of the pulp and paper industry.

The **presentations** will take place on **Thursday, June 21st**, with a 9-hole round of golf and a welcoming reception the evening prior—Wednesday, June 20th, a banquet the evening of—Thursday, June 21st, and a tour of Irving Paper the final day—Friday, June 22nd.

There is an award for the best presentation by a mill employee or researcher who collaborated with a member mill, and a second award for the best student presentation. Each award is worth \$500.

If you are interested in presenting at this year's meeting, please contact your mill champion or Carmie Lato (Project Manager, PAPTAC National - clato@paptac.ca) with a brief **abstract** by **May 11th**. If accepted, final presentations will be due by June 15th.

We look forward to hearing from you!
