The John S. Bates Memorial Gold Medal is the PAPTAC's premiere award, and is intended to be presented annually to a member of PAPTAC in recognition of long-term scientific and technological contributions to the pulp and paper industry.

Nomination forms are made up as follows:

**PAGE 1**: Names and signatures of nominators.

**PAGE 2**: Qualifications and achievements of the nominee. This section should describe the nominee's achievements, including (but not restricted to) such items as:

- Contributions to the science and technology of the industry;
- The means by which these contributions were realised (e.g., personal efforts, management, teaching, inspiration of others, etc.);
- Sectors of the industry which have benefited from these achievements;
- The means by which these achievements have been applied to industrial technology;
- Changes in the way the industry manufactures its products;
- New technology resulting from these achievements;
- Modifications to old technology resulting from these achievements;
- Changes in thinking about the science and technology that underlie the pulp and paper industry;
- Effects of these achievements on the industry's economics, raw materials, product quality, etc.

(This is **NOT** intended to be restrictive in any way: rather, it is to indicate the kinds of information which will be required to evaluate the nominee).

**PAGE 3**: Biographical data on the nominee.

**PAGE 6**: Names and addresses of nominators

The completed nomination form should be forwarded to the Executive Director of PAPTAC, to arrive by August 31st. The Medal will be presented during the following Annual Meeting.
